open house for hunger

Paradise FOUND

In support of Hamilton Food Share

Don't miss Hamilton Food Share's Fifth Annual
open house for hunger

Our hosts Michael and Jane Schwenger have graciously opened their home and hearts to help fight hunger in our community. When you arrive enjoy the peace and tranquility of the Caribbean as you stroll along the beach with the sounds of steel drums playing in the distance. The evening transforms before your eyes as masked dancers, musicians and mystics emerge from the darkness creating all that Island magic! As you take in the fun enjoy gourmet cuisine accompanied by fine wines and cocktails. Experience the mysteries of 'Paradise Found,' listen to your fortune being told, have your caricature drawn and later just dance the night away.

Samba anyone?
